

VERY IMPORTANT!!!!!!

Families,

Thank you so much for your continued support in keeping our classroom **NUT FREE**. Since Halloween we have had a few snacks that have come into the classroom that contain nuts. This poses a huge health threat to our students. For this reason, **ALL** snacks will now be checked before they enter the classroom. Refrain from sending homemade baked goods and candy, as these may not be "safe" foods. These items can be placed in lunch boxes, just not in the classroom for snack. Please read the labels, but also refer to the safe snack options below. We appreciate your concern and cooperation regarding this matter.
