

MRS. KUIECK'S SECOND GRADE NEWS

January 9, 2012

KUIECK'S KIDDOS
2011-2012

Be Nice. Work Hard. Learn Well

Look What We've Been Up To...

Daily 5/ Reading

We are embarking on a new strategy to help us comprehend what we read called inferring. Author's give us clues as to how a character is feeling and what might happen next, but we, as readers, need to infer what exactly that might be. We will be reading from Erandi's Braids and zoom in on the clues the author gives us to help her readers infer.

Writer's Workshop

Our next focus for writing is constructing "How To" pieces. We will be creating a list of things that we can teach our peers as well as the content that it should contain. I can't wait to see the new things we are going to learn from each other.

Math

We have learned two strategies to aide us with two digit addition, new groups below and show all totals. Tomorrow we will be posting a video of how to use both strategies. Hopefully this will be helpful with homework. The strategies are definitely different than you and I learned a few years back :).

Dear Families,

Winter weather???? It has been a strange start to the year in weather department.

I am SOOO happy to see my little second graders refreshed after our Christmas vacation. The next few months we will be covering many topics and stretching our thinking- can't wait to see my friends grow!

Here's to a great week!
Love,
Mrs. Kuieck

WORD STUDY:

This week we will be concentrating on these words and their word patterns:

called just where
most know

Things to Note:

- * Our classroom is in need of a few supplies. If you are willing to donate, we would be so grateful:
- * Clorox/Lysol wipes
- * Dry Erase Markers
- * Library on Friday
