

MRS. KUIECK'S SECOND GRADE NEWS

January 22, 2012

KUIECK'S KIDDOS
2011-2012

Be Nice. Work Hard. Learn Well

Look What We've Been Up To...

Daily 5/ Reading

We will be working on using a new strategy called wondering. Using this strategy, children will be challenged to think about their reading and make predications. Periodically stopping while we read and ask questions that begin with, "I wonder....". This is a great strategy to model and practice at home as well.

Writer's Workshop

The children will be embarking on using their HOW TO knowledge and stretching it into creating an ALL ABOUT book. We will need your help for this one, so look for more information to be sent home on Tuesday.

Math

Telling time will be our next unit of study. Most of us have primarily digital clocks in our homes, so telling time on an analog clock can prove tricky. You can help at home by pointing out analog clocks and telling the time they happen to represent. I will put some links on our blog to help as well :).

Dear Families,

It is hard to believe that January is coming to an end!!! Our second graders have been working so hard, especially in the area of writing. They used red revision pens this week and really had to analyze their writing to make it "perfecto". Make sure to check out the videos of their presentations later this week.

Here's to a great week!
Love,
Mrs. Kwieck

WORD STUDY:

This week we will be concentrating on these words and their word patterns:

knew write our
new me

Things to Note:

- * Our classroom is in need of a few supplies. If you are willing to donate, we would be so grateful:
 - * Clorox/Lysol wipes
 - * Dry Erase Markers
- * Valentine Party:
February 14, 2:00 - 2:45
- * Mid Winter Break:
February 16 -17
