

DeGraaf Nature Center Field Trip

Our second grade classrooms will be visiting the DeGraaf Nature Center in Holland this May to learn about plants. Thanks to our WONDERFUL Parent Club, there is no cost for this field trip to our children. We will be leaving school at 9:00 and returning to school by 11:45. We will have a normal lunch on your child's field trip day. Here are the days that each classroom will be visiting the Nature Center:

Wednesday May 8 **Mrs. Kuieck and Mr. Jurewicz's Classes**
Thursday May 9 **Mrs. Greenlund and Mrs. Quigley's Classes**

We would love to have parents accompany us on our trip to be a chaperone. We will need 4 chaperones per class, but others that choose to join will need to pay \$2.50 prior to the field trip. We will draw names from a hat as to who will be the designated chaperones. **All parents will need to have a background check on file at school prior to the date of the trip if you plan to join us.** If you need the paperwork for this, please let contact your child's teacher ASAP because this does take some time to process. If you are interested in joining us, please fill out the bottom portion of this paper and return to school. Also, parents are asked to ride separately as there is limited space on the bus.
